PREFACE.

IN the year 1697 there were in the town of Boston the brick meeting-house of the Quakers and five churches, — the First, Second, Third or Old South, the First Baptist, and King's Chapel.

In these five churches, except the last, Calvinism was preached in its full rigor, and the early customs and prejudices of New England were maintained in force. The communicants exercised a distinct and original jurisdiction in church affairs. Candidates for admission were obliged to give a public relation of religious experience; and so great was the dislike to the Church of England that the reading of the Scriptures and the use of the Lord's Prayer were refused in their services because they were included in the forms of that church. The elective body in the choice of the minister was the communicants; and beyond that as a barrier to the passage of any element dangerous to the established congregational organization was the power lodged in the body of ordained clergy to object to or veto the election of a pastor who seemed to them unfit for the common service of the gospel.

In 1697, under the guidance of John Leverett and William and Thomas Brattle, a movement began to found a religious society which should take the liberal side on these questions.

On the 10th of January, 1698, Thomas Brattle conveyed the land on which the meeting-house was to stand; and on the 10th of May, 1699, a formal invitation was extended to Benjamin Colman, then in England, to be ordained there, and return to this country and be its minister. Mr. Colman was a native of Boston, twenty-six years of age, who had been prepared for college by the celebrated Ezekiel Cheever, and was graduated from Harvard College in 1692.

The liberal policy of the church was declared in a manifesto (supposed by some to have been written by him), which was published almost immediately upon his return.

In this manifesto were announced the principles which were to govern the new church, which related entirely to order and worship, and of these the principal were: —

1. The reading of some portion of Holy Scripture in public worship at the discretion of the minister;

2. The administration of baptism to the children of any person who would make a genuine profession of Christian faith and a desire and purpose to educate them therein;

3. The relinquishment of the relation of experiences; and

4. The permission of all the members of the congregation, without distinction of communicants and non-communicants, to act and vote in parish affairs and in the election of a minister.

In June, 1701, it was thought desirable to furnish Mr. Colman with an assistant, and Mr. Eliphalet Adams was so engaged; but the engagement terminated, not altogether pleasantly, in about two years and a half. For the next twelve years Mr. Colman had sole charge of the parish; and then, in August, 1715, Mr. William Cooper was chosen a colleague pastor, and ordained on the 23d day of May, 1716. This relation was harmoniously maintained for twenty-seven years, until the death of Mr. Cooper, Dec. 14, 1743, after a short illness.

"William Cooper loved Calvinism in all its austerity, extravagance, and tumult. Without any extraordinary qualifications for a popular preacher, he was a laborious and devoted minister."[1]

On the 21st day of May, 1745, Mr. Samuel Cooper was ordained as the successor of his father as colleague to Dr. Colman. About fifteen months later, Aug. 29, 1747, Dr. Colman died.

"Dr. Colman was not so fortunate as to be a universal favorite, whether from personal qualities or because the odium excited by the innovations of his church upon the established ecclesiastical order never entirely subsided; but it does not seem to have disturbed him, since he felt himself secure in the regard of his own people."[2]

Dr. Cooper retained the sole pastorate from the death of Dr. Colman until his own death, which occurred suddenly on the 29th of December, 1783, when he was fifty-eight years of age.

These three pastors of The Church in Brattle Square were natives of Boston, and each was chosen to and declined the presidency of Harvard College. Dr. Cooper was one of the most prominent public men of his day, and exerted a very great influence in the events which led up to the Revolution.

[1] Dr. Palfrey's Anniversary Sermon. [2] *Ibid.*

"To less uncommon endowments he joined an address and what is called a talent for affairs which, if he had not been the leading divine, would perhaps have distinguished him as the most accomplished gentleman and adroit statesman of his country and time. While his name appears to the public view prominent upon the records of patriotism, in the memory of his religious associates it is embalmed no less in the odor of sanctity." [1]

It was not till the spring following his death that any attempts were made looking towards securing a successor to Dr. Cooper, and not until the following October that the choice fell upon the Rev. Peter Thacher, of Malden. Mr. Thacher was not, like his predecessors, a native of Boston, but was born in the neighboring town of Milton, during the temporary residence there of his parents.

So unusual was it then for a church to call to its service the settled pastor of another church that the propriety of the act led to much discussion, in which the newspapers took a prominent part. For the account of the circumstances, reference must be made to Dr. Lothrop's history of the Brattle Street Church, in which they are fully treated.

At a meeting of the church, held December 12, 1784, Mr. Thacher was invited to become pastor. He accepted the invitation, and was installed on the 12th of January, 1785.

Dr. Thacher's ministry lasted nearly eighteen years. He died at Savannah, Ga., whither he had gone in search of health, on the 16th of December, 1802, when he was in the fifty-third year of his age. A memoir of him will be found in the eighth volume of the Collections of the Massachusetts Historical Society.

"Mr. Thacher's preaching was direct, practical, and earnest; but he is said to have owed his remarkable popularity not more to his evident piety and zeal and the power of his mind and style than to the graces of a most captivating elocution. His memory is most gratefully to be honored, who, having access to minds which controlled the public opinion, engaged and secured their influence in favor of all that is most valuable to men." [2]

After his death the society was for nearly two years without a minister. On the 9th of December, 1804, Mr. Joseph Stevens Buckminster was invited to become the pastor. He accepted the invitation, and was ordained on the 30th of January, 1805. The ministry of this remarkable man was exceedingly brief, but made a deep and lasting impression. He died on the 9th of June, 1812.

"Mr. Buckminster was one of those who seem appointed to the high and needful office of conciliating to religion the minds of intellectual and tasteful men." [3]

[1] Dr. Palfrey's Anniversary Sermon. [2] *Ibid.* [3] *Ibid.*

He was succeeded by another brilliant man, whose ministry was still briefer than his own. On the 10th of December, 1813, Edward Everett, a graduate of the Class of 1811 at Harvard College, was invited to the vacant pastorate, and was ordained on the 9th of February, 1814. He was elected to the Eliot Professorship of Greek Literature in Harvard College, and his connection with the society was dissolved March 5, 1815.

After his resignation the pulpit was vacant more than three years, until, on the 20th of April, 1818, Mr. John Gorham Palfrey was invited to fill it. He accepted, and was ordained on the 17th of June, 1818. In February, 1831, Mr. Palfrey left his position to become Dexter Professor of Sacred Literature in Harvard College.

The pulpit was then vacant for four years, until April, 1834, when the Rev. Samuel K. Lothrop, then of Dover, N. H., was invited to it, and was installed June 18, 1834. Dr. Lothrop's ministry lasted until 1876, when he resigned.

The old church originally erected by the undertakers in 1699 was built of wood. It had a tower and bell on the west end, and a door on the south side, opposite to which was the pulpit. Its window frames were of iron. It had never been painted, inside or outside. Within a few years after Mr. Cooper's ordination it was found necessary to enlarge it, which was done by an addition to the building in the rear of the pulpit, with pews on the floor, and a gallery. As late as 1766 additional pews were constructed. After seventy years a movement for a new church was begun, and in 1772 John Hancock offered a generous contribution towards the erection of a new church. This was finally decided upon; and the society assembled for the last time in the old house on the 10th of May, 1772.

The old house was taken down and the ground cleared between May 14 and 18, and on June 23 the corner-stone of a new building was laid. The whole work was finished so that services were held in the new building on the 24th of July, 1773.

The troubles of the Revolution soon came on. Dr. Cooper left Boston, April 16, 1775, for what was supposed would be merely a visit, but did not return until after the evacuation, March 17, 1776. Services were only occasionally held in the church during his absence. The journal of Timothy Newell, deacon of the church, printed in the Collections of the Massachusetts Historical Society (4th ser., vol. 1, p. 261) gives some account of the vicissitudes the building underwent during that period, and of its occupancy, Oct. 27, 1775, as barracks for the British soldiery.

The night before the evacuation the church was struck by the cannon

ball so familiar to the past generation as its distinguishing feature. It knocked out a few bricks and fell to the ground, was picked up by Mr. Turell, who lived opposite, and preserved by the family, serving, it is said, for many years as a weight for the front gate. In 1825, when the church was repaired, it was inserted in the spot where it struck; and from that time, in the words of Dr. Holmes, the church —

> "Wore on its bosom, as a bride might do,
> The iron breastpin that the rebels threw."

The ball is now in the cabinet of the Massachusetts Historical Society. The house was again opened for worship after the evacuation on the 19th of May.

In November, 1778, the society, by the will of Lydia Hancock, came into possession of the house in Court Street, which was occupied as a parsonage by successive ministers until July, 1855, when the Supreme Court, in the decision of the celebrated case, Proprietors of the Church in Brattle Square *v.* Moses Grant *et al.*, authorized its disposal; and the proceeds were invested in the estate No. 12 Chestnut Street, which was occupied by Dr. Lothrop until his death in 1886.

In 1871 it was decided to sell the church estate and remove to a location on the land in what is known as the Back Bay district. The last service was held in the church edifice July 30, 1871. The new building was completed in 1873, and dedicated on the 22d of December. The acoustic properties of this edifice were so defective that it was soon seen that there was little probability of the successful maintenance of the church. Many prominent parishioners had died in the interval since the removal from the old building, and the strength of the society was seriously impaired. After the resignation of Dr. Lothrop a paralysis seemed to take possession of those in authority; and after a short time, the burden of the debt seeming insurmountable, the building was sold, and came into possession of the First Baptist Society.

The corporation, however, was not dissolved. It still retained the parsonage house and some charitable funds. These, by action of the Parish, were transferred to the Benevolent Fraternity of Churches, and the corporation was so merged in the same that the Fraternity has now become its legitimate successor, holding its property and discharging its trusts.

The church as a distinct entity practically becoming extinct with this action, it seemed desirable that the existing records should be printed as a memorial, and the Benevolent Fraternity became responsible for this being done. The work of editing and preparing them for the press was intrusted to a committee of the old church and society, composed of Mr. Ellis L. Motte, for many years parish clerk; Rev. Henry F. Jenks,

a son of the church under the ministry of Dr. Lothrop; and John Homans, 2d, M.D., also a son of the church, the grandson of Dr. Lothrop.

The work has been long in hand, as it had to be pursued in the leisure from engrossing professional pursuits. The editing has been mostly done by Mr. Jenks and Dr. Homans of the committee, though the former has had the chief supervision and responsibility for it; and it is now set forth as a monument of the church which represented the first liberal movement of Congregationalism in Boston, which was marked for the distinction of its ministers and the high character and wide usefulness of those attendant upon its services, who occupied the most exalted positions in city and State during its nearly two centuries of active life, and which finally, leaving the scene of its glory, went out of existence as the result of the most singular fatuity and the most unfortunate combination of circumstances. Few churches have enjoyed a higher prestige, or rendered more useful service to the community, than that which in its beginning was known as *the Manifesto Church.*

The records are contained in two volumes, the older bound in parchment or vellum. About the middle of the book begin the records proper, the first page of which we have reproduced in a size about two-thirds of the original. The book also contains Dr. Colman's record of communicants, of baptisms and marriages, and receipts of money. During the joint ministry of Dr. Colman and Mr. Cooper the record seems to have been kept solely by the former, although the official acts of the latter are recorded. The younger Cooper paid little attention to the records. Twenty lines on one half-page of the records and about as many more on a loose sheet comprise all that stands recorded in his own hand of his ministry of thirty-nine years' duration. In the handwriting of Dr. Thacher is a list of the baptisms administered, the marriages solemnized, and the admissions to the church made during Dr. Cooper's ministry, purporting to have been copied from his interleaved almanacs. Dr. Thacher's own records were carefully kept, and those of Messrs. Buckminster, Everett, and Palfrey are pretty full. Dr. Lothrop's records are not very complete. He had the habit of Dr. Cooper of keeping many minutes in his diaries, and these have not been accessible.

The records of the parish, separate from the church, and of the building committee which erected the meeting-house in 1772, are contained in several other volumes, but as their substance is to be found in Dr. Lothrop's history, it has not seemed expedient to include them in the present publication.

In printing these records we have followed the manuscript exactly, only correcting one or two manifest errors, which we have noted. We

have avoided notes as far as possible, and have made no attempt to identify persons under differences of spelling. This has been particularly the case in the Index, where we have preserved the different spellings of the same name, occasionally bringing two or more variations together, but usually making cross references.

With the Index we have taken especial care, indicating under each name the particulars of its use, so as to enable those who consult it to know without turning to the page whether any individual case fulfils the requirements of their search.

In the running title of the baptisms we have used the spelling with which Dr. Colman heads his list. This was done inadvertently at first; but, having been done, we concluded to let it remain.

The copy of the Manifesto which we give is that belonging to the Boston Athenæum, referred to by Dr. Lothrop in a note on page 208 of his "History of Brattle Street Church" as interesting because of having been originally the property of Benjamin Walker, one of the undertakers, and bearing his name, and because of the memoranda written upon it, of which it is impossible to say whether they are votes which Mr. Walker was intending to propose, or votes actually passed by the society, but in either case throwing light upon the sense in which two important articles of the document were intended to be received.

For the use of the plate of the picture of Dr. Colman we are indebted to the Congregational Education Society. The pictures of Mr. Cooper and his son, Dr. Cooper, are reproduced from the pictures by Smibert and Copley in the possession of the Massachusetts Historical Society; the picture of Dr. Thacher is an enlargement of a small engraving in a number of the *Polyanthos* in the library of the same society; that of Mr. Buckminster is taken from the picture by Stuart, the property of Mr. Arthur T. Lyman. For the picture of Mr. Everett, which is a copy of a photograph made from a picture by Gilbert Stuart Newton at the time he was appointed Eliot Professor of Greek at Harvard College, and considered a remarkably fine likeness, we are indebted to the courtesy of the classical department of Harvard University, and particularly of Prof. M. H. Morgan. The picture of Dr. Palfrey is copied from an oil painting in the possession of his daughters, representing him at about the time he was pastor of the church rather than in his later years; and that of Dr. Lothrop, showing him near the close of his ministry, has been several times printed, — in the Proceedings of the Massachusetts Historical Society, in the History of the Massachusetts Cincinnati, and in his autobiography, printed but not published.

The views of the interior of the church are from photographs taken by Black, the well-known photographer, shortly before the demolition of

the building. The picture of the old parsonage house is from a water-color in the possession of the Misses Palfrey.

The ground plan of the meeting-house and the list of proprietors of pews and the call for a church meeting are from papers in the possession of the Hon. Samuel A. Green, M.D., LL.D., who has allowed us to copy them.

Benjamin Walker of Boston in New England

A MANIFESTO OR Declaration,

Set forth by the Undertakers of the New Church

Now Erected in *Boston* in *New-England*, *November* 17*th*. 1699.

INASMUCH as GOD hath put it into our hearts to undertake the Building a New Meeting-House *in this Town for His Publick Worship; And whereas through the gracious Smiles of Divine Providence on this our Undertaking, We have* [illegible] *Erected, and near Finished: We think it Convenient, for preventing all Misapprehensions and Jealousies, to publish our Aims and Designs herein, together with those Principles and Rules we intend by GODS Grace to adhere unto.*

We do therefore as in the Presence of GOD our Judge, and with all the Sincerity and Seriousness, which the nature of our present Engagement Commands from us, Profess and Declare both to one another, and to all the World, *as follows.*

[I.]

First of all, We approve and subscribe the *Confession of Faith* put forth by the Assembly of Divines at *Westminster*.

[II.]

We design only the true and pure Worship of GOD, according to the Rules appearing plainly to us in His Word; Conformably to the known practice of many of the Churches of the UNITED BRETHREN in *London*, and throughout all *England*.

We judge it therefore most suitable and convenient, that in our Publick Worship some part of the Holy Scripture be read by the Minister at his discretion.

In all other parts of Divine Worship as (Prayer, Singing, Preaching, Blessing the People, and Administring the Sacraments;) We conform to the ordinary practice of the Churches of Christ in this Country.

[III.]

It is our fincere deſire and intention to hold Communion with the Churches here, as true Churches; and we openly proteſt againſt all Suſpicion and Jealouſie to the contrary, as moſt Injurious to us.

[IV.]

And although in ſome Circumſtances we may vary from many of them; yet we joyntly proteſs to maintain ſuch Order and Rules of Diſcipline as may preſerve, as far as in us lies, Evangelical Purity and Holineſs in our Communion.

[V.]

In purſuance whereof we further Declare, that we allow of Baptiſm to thoſe only who profeſs their Faith in Chriſt and Obedience to him, and to the Children of ſuch; yet we dare not refuſe it to *any* Child offered to us by *any* profeſſed Chriſtian, upon his engagement to ſee it Educated, if God give life and ability, in the Chriſtian Religion.

But this being a Miniſterial Act, We think it the Paſtors Province to receive ſuch Profeſſions and Engagements; in whoſe prudence and conſcience we acquieſce.

[VI.]

As to the Sacrament of the Lords Supper, we believe that as the Ordinance is Holy, ſo the Partakers in it (that it may not be viſibly profaned) muſt be perſons of viſible Sanctity.

[VII.]

We judge it therefore fitting and expedient, that whoever would be admitted to partake with us in this Holy Sacrament, be accountable to the Paſtor to whom it belongs to inquire into their knowledge and Spiritual State, and require the Renewal of their Baptiſmal Covenant.

[VIII.]

But we aſſume not to our ſelves to impoſe upon any a Publick Relation of their Experiences; however if any one think himſelf bound in Conſcience to make ſuch a Relation, let him do it.

For we conceive it ſufficient, if the Paſtor publickly declare himſelf ſatisfied in the perſon offered to our Communion, and ſeaſonably Propound him.

[IX.]

We alſo think our ſelves obliged in faithfulneſs to God, our own Souls, and theirs who ſeek our Communion, to inquire into the life and converſation of thoſe who are ſo propounded; and if we have juſt matter of objection to prefer it againſt them.

[X.]

But if no objection be made, before the time of their ſtanding propounded is expired, it ſhall be eſteemed a ſufficient Conſent and Concurrence of the Brethren, and the perſon propounded ſhall be received to our Communion.

[XI.]

If ever any of our Communion ſhould be ſo unhappy as to fall into any ſcandalous Sin (which God by his Grace prevent) we profeſs all dutiful ſubmiſſion to thoſe Cenſures, which the Scripture directs, and the Churches here practice.

[*XII.*]

Forasmuch as the same power that *Admits*, should also *Exclude*, We judge it reasonable, that the Pastor in Suspending or Excommunicating an Offender, have the consent and concurrence of the Brethren.

[*XIII.*]

We apprehend that a particular Church, as such, is a Society of Christians by mutual agreement, usually meeting together for Publick Worship in the same place, and under the same Ministry, attending on the Ordinances of God there.

[*XIV.*]

In every such Society, the Law of nature dictates to us, that there is implied a mutual promise and engagement of being faithful to the Relations they bear to each other, whither as private Christians, or as Pastor and Flock, so long as the Providence of God continues them in those Relations.

[*XV.*]

We moreover Declare our selves for Communion of Churches, freely allowing our Members occasionally to Communicate with other Churches of Christ, and receiving theirs occasionally to the Table of the Lord with us. And in extraordinary cases, when the Providence of God makes it needful, we conceive that any Authorized Minister of Christ, may upon our request, Administer the Sacraments unto us.

[*XVI.*]

Finally, We cannot confine the right of chusing a Minister to the Communicants alone, but we think that every Baptized Adult Person, who contributes to the Maintenance, should have a Vote in Electing.

Yet it seems but just, that persons of the greatest Piety, Gravity, Wisdom, Authority or other Endowments, should be leading and Influential to the Society in that Affair.

THESE are the Principles we Profess, and the Rules we purpose through the Grace of GOD, to govern our selves by; and in some of these particulars only, and in no other, do we see cause to depart from what is ordinarily Professed and Practised by the Churches of CHRIST here in *New-England*.

VOTED also, that it be left to M^r^ Mico & Capt^ne^ Davis to get Swabs & pales for y^e^ Meetinghouse, in case of fire.

[Dr. Colman's record is now continued.]

January 3^d^ 1701. M^r^ Brattle excused himself from Continuing any longer the Care of y^e^ Deacons place, & M^r^ Draper was chosen into his place.

On Fryday Jan. 31. with Thanks for past Services, M^r^ Davenport reported to me in y^e^ presence of the Undertakers their Vote of ten shillings more p week Salary. Now fifty shillings p week.

On June 9^th^ 1701. A considerable Number of Brethren came

to my house with a proposal of getting me a stated Help if it were pleasing to me. On y^e^ following Sabbath I acquainted the Church with it: who met on June 18. & voted a Constant help for one year, & without y^e^ Nomination of any person they wrote their Votes, which were found unanimous for M^r^ Eliphalet Adams.

M^r^ Adams accepted the Invitation, only reserving to himself this Liberty, that if any Invitation to do service elsewhere were offer'd him within y^e^ Year, which he might think proper to Consider of, then he would give us timely & sufficient Notice of it.

At the Expiration of the year, August, 3, 1702. The thanks of y^e^ Church were voted to M^r^ Adams for his Services, & y^e^ Choice of him was renewed for to help us in a stated way for one year more. Which he again accepted, unless any Offer more considerable be made him within that time.

Major Davis did at this meeting excuse himself from any further Care of the Deacons place, in which he had kindly continued till this time. And M^r^ John Kilby was chosen in his place, & accepted.

August 2. 1703. the Year being again Expired, the Thanks of y^e^ Church were renewed to M^r^ Adams for his Labours. Voted by a great Majority (16. against 7.) that we were not in a Capacity yet to call any One into Office among us. And then M^r^ Adams was unanimously chosen for another year.

August 23. We received M^r^ Adams his Answer That he should be ready to continue his help among us as formerly for one half of year, scil, to y^e^ first day of February next, if that might be acceptable: And that as to further Engagement he should not be backward were it not he feared it might prove Inconvenient.

At the End of the half year M^r^ Adams left preaching statedly with us. And here I willingly omit the Mention of y^e^ Divisions & Angers among us upon his departure. Only I think it proper to Insert, that one matter of Offence then given & hainously taken, being that y^e^ Proprietors of the House had declared it to be their Right to say, when we were ripe for the

Calling a Minister to Office; I did therefore at a Church Meeting held July 21. 1704, propose it to y^e^ Proprietors Present, who were 18. in number (M^r^ Mico M^r^ Meers & Cap^t^ Tuthill being absent) Whether They expected any particular Priveledge, on the Account of their Propriety in the House, in the Choice or Call of any Minister to Office, above & beyond the rest of their Brethren? To which fourteen of the Proprietors answer'd directly — that they did not. namely, Thomas Brattle Esq^r^, Thomas Palmer Esq^r^, Thomas Clark, Richard Draper, John Kilby, Thomas Cooper, Addington Davenport, William Harris, Timothy Clark, John Colman, Stephen Minot, Abraham Blish, Joseph Allen, W^m^ Keen.

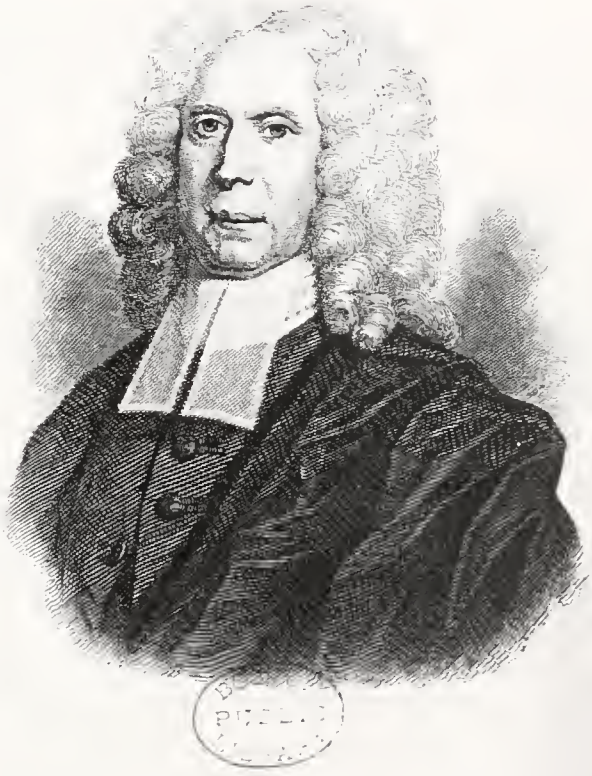
It was then moved, whether the Communicants did not think themselves obliged to do their part, to maintain the Ministry, as much as the Proprietors? to which they all answer'd in the Affirmative, — that they did think themselves equally bound, every man according to the Ability which God has given him.

After the uncomfortable Church Meetings past we had none for several years.

On January y^e^ 20^th^ 1707, 8. the Congregation kindly rais'd my Salary to three pounds a week.

On October the 12^th^ 1711. The old Meeting house being burnt down, with a great part of y^e^ Town, Our Chh. invited the Pastors of y^e^ said first Chh. who were wont to meet there, to preach with us in turns every Sabbath, & to joyn in the Administration of all Ordinances; to which they with their Church consented, & continued with us unto May the fourth 1713. When they took leave of us with a very grateful Letter, read publicly by me to our Congregation, & went into their new House.

July 24. 1713. The Reverend M^r^ William Brattle Pastor of the Chh. in Cambridge, signifyed to me by a Letter the Legacy of his Brother, Thomas Brattle Esq^r^, lately deceased, of a pair of Organs, w^ch^ he dedicated & devoted to y^e^ praise & glory of God with us, if we should accept thereof; & within



Benjamin Colman

y^e^ year after his decease procure a sober person, skilful to play thereon.

The Church, with all possible respect to the memory of our devoted Friend & Benefactor, voted, that they did not think it proper to use y^e^ same in y^e^ public Worship of God.

July. 4. 1715 was our first public Meeting of the whole Congregation, when y^e^ following Votes passed,

1. That they did apprehend & judge it to be for y^e^ Glory of GOD & the good of this Church & Congregation, that another Person be chosen into the Pastoral Office among us.

2. That in order thereunto the first Tuesday in August be kept as a Day of Prayer, to implore y^e^ Divine Direction, & Guidance in the said Election.

Accordingly Tuesday, y^e^ second of August was observed by us with prayer & fasting, the Ministers of y^e^ Town assisting at it.

On August the 16^th^ the Congregation met for the Election of a second Pastor, & after y^e^ Opening of y^e^ Meeting by prayer, as usually, & a Discourse had agreably to y^e^ Occasion; y^e^ question was put,

Whether the Brethren were ready to proceed & write their Votes, for the Election of some other Person into the Pastoral Office with me? & if they were that they would signify it by lifting up their hands: Whereupon all y^e^ Hands were lift up.

The Brethren then wrote their Votes, & put them into the Box on y^e^ Table before me, which were counted & opened; & out of sixty six votes, there were sixty for M^r^ William Cooper.

It is to be noted, that no Person was nominated, nor M^r^ Coopers Name once mention'd, either now or in the former Meeting, until y^e^ Votes were counted, & I had declar'd his Election by this great Majority.

There were then named, & appointed to wait on M^r^ Cooper with this Vote in the Name of the Congregation, The Deacons, M^r^ Davenport, M^r^ Dudley, M^r^ Palmer, M^r^ Harris &c, to desire his Answer in due time

Dr Noyes then proposed our using some better version of the Psalms; and Capt Clark proposed that there might be a constant Exposition of ye Scriptures after the reading of them every Lord's day. Both which matters after some discourse of them were left to further Consideration, if need were.

On September the 7th 1715. we received Mr Coopers Answer, signifying his Acceptance of our Call, his desires of our Prayers for Him, & that we would however excuse him from engaging presently in a constant Course of preaching; it being a very early day with him.

At a Congregation Meeting, October ye 7th 1715. I acquainted the Brethren how Mr Cooper had explain'd himself to me, scil, That he fear'd if he should immediately engage in a Course of constant preaching it might hinder him too much in his preparatory studies, & therefore his desire was that for ye first year he might be expected to preach but once in a fortnight: Also he pray'd that we would not for this first year propose his Ordination.

I observ'd to the Brethren the Humility & modisty of Mr Coopers desire, & then ye following Votes pass'd, Nemine Contra.

1. That Mr Cooper be desir'd to preach as often as he could conveniently with us, & that it be left to me & him to supply the Pulpit at other times, & the supply had be paid out of what is allowed to Mr Cooper.

2. That Mr Cooper be allowed for this year forty Shillings a Sabbath, or every week.

The matter of Ordination was then discoursed, & at last it was resolved to let it rest for ye present, in compliance with Mr Coopers desire.

At a Church meeting, Tuesday March. 20, 1716. I proposed the bringing forward Mr Coopers Ordination; & accordingly the twenty third day of May following was fixt upon:

On wch Day the Solemnity was accordingly attended, & He was publicly separated to ye Work of the Ministry, & unto the Pastoral Office over this Church, by the Laying on of ye Hands of the Presbytery, with fasting & prayer.

At a Church Meeting August y^e^ 20. 1717. M^r^ Benjamin Gibson was chosen into the Deacons Office among us, & approved by the Pastors. Sometime after he signified his Acceptance & took his place.

At a Church Meeting March. 8. 1718, After much Discourse it was voted,

That there be an equal Dividend of y^e^ next Remains of y^e^ Moneys collected at the Sacrament, after y^e^ payment of the charges for the Holy Table; the one half to be distributed by the Deacons to y^e^ poor; the other to be applied to y^e^ further supply of y^e^ Communion Table with plate: provided that y^e^ Distribution to y^e^ poor do not exceed y^e^ Summ of ten pounds p annum.

At a Congregation Meeting March 16, 1720, M^r^ Cooper being about to marry, I proposed y^e^ raising & fixing his Salary for his hon^ble^ support, & that it might be equal at least to mine; & that they would please to provide a House for him to dwell in. And accordingly y^e^ following Votes were passed,

1. That M^r^ Coopers Salary be three pounds five Shillings a week.

2. That M^r^ Cooper be allowed a House to dwell in.

3. That a Committee of five, namely M^r^ Harris, D^r^ Noyes, Coll. Minot, Cap^t^ Steel, & M^r^ Fitch, be appointed forthwith to enquire after some convenient House for him, & make report to y^e^ Society

4. That M^r^ Coopers fire-wood be allow'd him.

Voted then also, That M^r^ Ingram y^e^ Sexton be from henceforth allowed sixteen pounds a year Salary.

N B. Some time in y^e^ Month of January preceding y^e^ last Votes, some of y^e^ Brethren of y^e^ Church having express'd to us their desires of a Monthly Lecture to be held in our place of Worship, y^e^ Afternoon of every Fryday before the Administration of y^e^ Lords Supper; And we taking into our Consideration y^t^ y^e^ said Holy Ordinance is administered in y^e^ first

Chh. of Christ in the Town at y^e^ same time thro'out y^e^ year y^t^ it [illegible] with us; The Chh. did therefore come into a Vote, to reque[illegible] & invite them to joyn with us in y^e^ setting up the said Lecture, & that it be carried on by their Rev^d^ Pastors, M^r^ [illegible]sworth & Foxcraft, together with us; & be attended & supported equally by them & us, for our mutual Edification by the will of God.

Accordingly we wrote unto them in y^e^ Name of the Church, & the said First Chh. in y^e^ Town did readily come into the Proposal; & it was opened by me on Fryday, March. 4. 1720./ from these words, Exodus. 24. 9, 10, 11./.

At a Meeting of the Congregation. Sept. 5. 1721, Deacon Drape[illegible] inform'd the Congregation, that in this time of distress by the Smalpox, & upon the removal of so many out of the Town, the weekly Collections had fallen so far short of what is necessary for the Support of y^e^ Ministers, that it was necessary a Sum of about *fifty pounds* be presently rais'd, for the paying the Arears due & the laying in Wood for the winter.

After some Discourse on one Method & another for a present Supply it was Voted, That Cap^t^ Steel, Coll. Ballantine, M^r^ Hallman, Coll. Alford, M^r^ Fitch be a Committee to treat with the Proprietors of the House, about applying part of the moneys in their hands, arising from the late Additional Building to the present Service.

The Brethren of the Church were then desired to stay, & Deacon Kilby informed the Brethren, that upon his late failing in his Estate, when he put over y^e^ whole of it into the hands of his Creditors, he had forgot to secure the Churches Money intrusted with him; Namely, the Moneys collected at y^e^ Monthly Sacraments.

Whereupon it was voted, That M^r^ Thomas Clark, Capt. Tim. Clark, M^r^ Tay, Coll. Minot, & M^r^ John Colman be a Committee to look over Deacon Kilbys Account of the Sacrament Collections; & that they treat with his Creditors about the Church Stock gone by this means into their hands; & if they can't

prevail to recover it, that they claim in the Name of the Church among the Creditors.

At a Meeting of the Congregation, Septem. 19. 1721, The Answer of the Proprietors to the late Proposal of the Committee from the Congregation was read, & the Congregation Voted a Compliance with it

The said Answer of the Proprietors was as follows.

Whereas the Congregation of the Church in Brattle Street have this 7th of September 1721. applied to us the Proprietors of the same, by a Committee of five Persons, chosen for that purpose, at a Meeting of both Church & Congregation, for the Ballance of the Moneys rais'd from the Sale of the Pews when the Addition to y^e^ Chh. was made, desiring the same may be added to y^e^ Contribution money, for the supply of the present Deficiency thereof;

And whereas the Prudentials of the said Church & Building hath hitherto necessarily fallen under our management & direction from the foundation to this day; Exact accounts & methodical Books having hitherto been Kept & laid open by the Treasurer every year to the Satisfaction of the Society, as well as a fair Entry made of all Votes, and Determinations, for the more regular carrying on the Affair; & we think to the satisfaction of every one that shal give themselves the trouble to look into them; & they wil be very welcome so to do;

And whereas it is Our Opinion the present Exigence & deficiency of the Contribution might better be made up by Subscriptions than any other way; & that the aforesaid Money be kept in bank for y^e^ defraying of all Contingent Charges that wil necessarily & frequently arise on y^e^ House; and that upon every Occasion we may not be put to y^e^ trouble of calling the Congregation together to raise the money, in a Method yet to be contrived & agreed upon, & it may be difficult to come at; that while the grass grows the steed starves:

Now Gentlemen, Since it is & alwayes was our sincere desire to have this money applied for the general Good & benefit of

the Whole & to no other use & purpose whatsoever; & You can't agree with us in this method, but still desire & request to have the Mony applied as aforesaid; We say in Answer,

That if this be thought the most effectual way to Encourage a more chearful Contribution for the future, for the carrying on & promoting the Worship of God among us; & the Congregation wil be under the same Obligation with the Proprietors to pay any Person or persons, Owner or Owners of any pew or pews in said Meeting-house, such Sum or Sums of money as they gave for said pew or pews, upon their leaving of any of them, according to Receipt passed therefor: As also to repair said Meeting house when it needs, & to support the Minister or Ministers from time to time as God shal enable; And let this be voted & Enter'd in the Church Books as a standing Memorial, & Discharge of the Proprietors or any of them; Excepting their Several proportions in common with the rest of the Congregation: In such case we are willing to apply the Money as desir'd.

The Votes for the Committee were bro't in & the Choice fell on Thomas Palmer Esq^{r}, Timothy Clark Esq^{r}, Thomas Steel Esq^{r}, Coll. Minot, Coll. Ballantine & Coll. Alford.

M^{r} Davenport not being present was notified of the Choice made of him & sending his Excuse, it was voted,

That the Committee now chosen be desired to urge his Acceptance, & if they cannot prevail with him, that they then appoint one from among themselves to act as Treasurer till y^{e} next meeting of the Congregation.

Lastly it was voted, That the annual meeting of the Congregation for the chusing a Treasurer & Committee, be from hence forward on the first Wednesday in August.

M^{r} Ingram the Sexton then mov'd for some Allowance to be made him for looking after the plate & linnen for y^{e} Communion Table: & it was referr'd to the Consideration of the Church at their next meeting, if they shal judge it fit.

Tuesday February 6. 1721. Addington Davenport Esq^{r}, having received the Books & Moneys of the Church & Congregation from the Committee aforesaid, in token of his accepting the Choice that had been made of him to be their Treasurer, was pleas'd to come & inform the Pastors thereof.

At a Meeting of the Congregation, August 28. 1722. The Accounts of the Treasurer & of the Deacons were then Audited & allowed. M^{r} Davenport then excused himself from acting any longer as Treasurer. Votes were thereupon call'd for, & Thomas Palmer Esqr. was chosen by a great Majority, Capt. Tim. Septem. 9. being y^e^ Lords Day the Church was stayed after y^e^ publick Exercises were over, & it was proposed to them to fill up the Vacancy in the Deacons Seat, by the Death of M^r^ Kilby; & it was voted to meet for that end (by Gods will) on ye. next Tuesday come fortnight, at 11. of ye Clock, in the forenoon.

At a Church Meeting Septem. 26. 1722. After Prayer to God it was put to the Church, Whether They were ready now to proceed to Elect another into the Deacons Office; which being signified in the Affirmative, y^e^ Votes were brought in, — w^ch^ by a great Majority were found for M^r^ John Edwards; But he absolutely excusing himself from accepting the Call; the Brethren were desir'd to come to a second Choice, & y^e^ Votes were found by a great Majority for M^r^ Jacob Parker, who some time after accepted & took his place.

The Petition of M^r^ Ingram, the Sexton, was then laid before the Church, for some Allowance to be made him, for his Keeping, cleaning, bringing & carrying the Plate for the Communion Table, & washing the Linnen us'd thereat: And the Church Voted him an Allowance of forty Shillings p Annum for his Service therein.

The Church then proceeded to Enquire what the Committee appointed Septem. 5. 1721, had done in treating with the Creditors of the late Deacon Kilby, since deceased, about the Church Stock gone by his Neglect into their hands; & being inform'd of what had pass'd between the Creditors & them, it was resolv'd that the Church wil come in among the Creditors & take their part in the Dividend of his Estate; That a Committee be appointed therefore to claim & receive for them; and that y^e^ said Committee be

February 10, the Church was staid, being the Lords day Evening, when we proposed to them the Keeping a Day of Prayer for the Effusion of the Spirit of Grace upon the Children of the Flock; which was Voted, & the first Tuesday in March was fixed on for the time: w^ch^ was accordingly kept.

At a Congregation Meeting, Octob^r twenty second, 1723. The Treasurer & Committee of the last year were Rechosen; & the accounts of the Treasurer & Deacons audited & accepted. It was recommended to the Committee to fill with persons proper y^e vacant Pews in the Galaries; that y^e Negroes be directed to leave y^e back Seats of y^e lower & go into those of the upper Galary: & that they dismiss Roger from looking after y^e Boyes, & provide some fitter person.

The Congregation being dismissed the Church staid, & voted the Buying a Tankard of Deacon Draper, to be valu'd by M^r Noyes & Edwards, & that it be paid for out of the Church Moneys.

At a Congregation meeting September 9. 1724. The Treasurer & Committee of y^e former year were Rechosen, namely

Thomas Palmer Esq^r Treasurer, Addington Davenport Esq^r Thomas Steel Esq^r John Alford Esq^r M^r Stephen Minot, M^r John Ballantine, M^r Jacob Wendal.

The Pastors then withdrew, leaving the Congregation to consider of some way or other to supply the deficiency in their Salary for their Support; when they readily Voted the coming unto a Subscription of a Present unto y^e Pastors, to be equally divided between them; & that Deacon Gibson & Deacon Parker, assisted by M^r Jacob Wendal & M^r Benj^a Fitch & M^r William Tyler be desired to take y^e trouble & care upon them of putting forward the said Subscription.

At a Meeting of the Congregation Septem. 21. 1725. After prayer I acknowledged to y^e Brethren y^e Kindness of God w^ch they had shown to us in y^e year past, that we had received from y^e hands of M^r Benj^a Fitch five hundred pounds, & thirty pounds more from y^e hand of Deacon Parker; w^ch we pray'd God to reward to them.

We then took our leave, & y^e Brethren chose their Committee, & voted y^e raising y^e Salary's of their Pastors from henceforth to four pounds a week each.

March. 13. 1726 y^e^ Church being stay'd, after y^e^ dismission of the Congregation, We acquainted the Brethren, That ye Pastors of the United Churches in y^e^ Town were unanimously of Opinion (after serious & deliberate Consideration & much discourse together) That it might serve many excellent Ends of Piety if the Several Congregations had Collections made in them on dayes of Fasting & Thanksgiving. And that whereas we were now approaching toward the Annual Day of Prayer & Fasting in the begining of the year, the Ministers had agreed together to propose the matter to their respective Congregations, that such a Collection might be made on the Fast now appointed.

We added, That we did not propose the Gathering any great Summs; if it were but a little more than our ordinary Contributions on y^e^ Lords-dayes, it might suffice.

The moneys so collected we proposed to be by every Congregation deposited in the hands of some Committee of their own chusing, as a Kind of Evangelical Treasury for *the propagation of religion & piety*, & to be held sacred to such use; & not a farthing of it to be drawn out & applied at any time; but by y^e^ Advice & consent of said Committee; Who shal Keep an exact account of all that they disburse, to whom, for what, & on what Occasions; so that the Congregation may when they please, from time to time, see how their moneys are applied.

In short, we told 'em, that y^e^ Proposal was — That every particular Church would furnish it self, by such Collections on our Anniversary dayes of prayer & praise, with a smal stock or Fund for the *propagation of the Gospel:* & that our prayers & alms might together go up for a Memorial before God.

After some Consideration had of this proposal, the Church voted that such a Collection be proposed to y^e^ Congregation to be made on y^e^ Day of prayer approaching; & that y^e^ moneys collected be laid by till y^e^ annual Meeting of the Congregation in August or September next, when the Congregation might take y^e^ Proposal now made for constant Collections on dayes

of Fasting & Thanksgiving into their Consideration, & determine on it as God should direct them.

On y^e^ next Lords-day we informed the Congregation of y^e^ Advice of y^e^ Church respecting the proposed Collection, & on y^e^ Day of prayer March, 24, it was readily complied with & forty pounds were gathered, which y^e^ Deacons were directed to deliver into y^e^ hands of Thomas Palmer Esq, Treasurer for y^e^ Congregation, to be kept by him till y^e^ Annual Meeting of the Congregation.

On Tuesday Sept. 21. 1726. The Congregation took into Consideration the disposition of y^e^ Moneys collected, & voted,

That ten pounds of the forty may be applied to uses of piety abroad, & particularly with an eye to y^e^ Meeting house of Providence: the other thirty pounds to be disposed of among y^e^ poor & needy of our own Church & Congregation. That y^e^ Pastors & Deacons of y^e^ Church, together with the Standing Committee of the Congregation for the year, be a Committee to dispose of & distribute y^e^ said Money. That also because many poor people are like to want needful firing, clothing &c this winter, therefore a Collection be made for their releif & supply on our next Thanksgiving day, & y^e^ moneys then collected be put into y^e^ hands of the aforesaid Committee, to be by them distributed.

The Congregation were pleased also to vote M^r^ Colman thirty pounds this year for house-rent; being y^e^ first House rent ever allowed to him; at y^e^ End of twenty six years.

Thursday, Novem. 7. 1728, being y^e^ day of Publick Thanksgiving; a Collection was made for y^e^ poor & for pious Uses, & ninety four pounds were Contributed.

Lord's-day, Jan^ry^. 5. 1728, 9. The Church being staid we propos'd to them y^e^ chusing another Deacon, our aged & hon^d^ Brother M^r^ Richard Draper being confined by growing Infirmities, & a threatning sickness w^ch^ gave us great Reason to apprehend his approaching change. On y^e^ good Deacon died, having ministred with us in y^e^ Deacons Office twenty seven or eight years, & (to y^e^ Glory of Gods free Grace) discharg'd his Office well.

On February 4, at a Church Meeting M^r^ John Philips, Stationer, was chosen into y^e^ Deacons Office, & accepted of y^e^ Call.

At y^e^ same time y^e^ Church came into y^e^ following Vote, That considering the fall of Moneys, & y^e^ dearness of Provisions, & y^e^ sense y^e^ Congregation had of the Insufficiency of y^e^ Salary's of their Pastors to answer y^e^ necessary Expenses of their Families; therefore it was advisable for y^e^ Congregation to come into a voluntary Contribution or free Gift to y^e^ Ministers on some approaching Sabbath, & that whatsoever shal be gathered be given to them; over & above their stated Salary.

Accordingly y^e^ next Lords-day y^e^ Congregation were notified of said Desire of the Church, & y^e^ Lords day after was collected 140. pounds, w^ch^ was divided between the Pastors.

Novem. 13. 1729. Being Thanksgiving day; was collected 155^ll^ 10. 0. / 107^ll^ for the poor of our own Church: 23^ll^ 10^s^ for ye Pastors: 20^ll^ to be delivered to Deacon Henchman of y^e^ South Church: 4^ll^ 10^s^ 0 for y^e^ support of y^e^ Worship of God at the Town of Providence.

Boston. Decem^r^ 26. 1743. It is awful to me to enter on this Leaf y^e^ sudden Death of y^e^ Rev^d^ M^r^ Cooper, who has been with me in y^e^ Pastoral Office twenty seven Years, & a Pastor after Gods own Heart unto this Church.

On Tuesday Dec^r^ 5. he complain'd of some dull heavy pain & Disorder in his Head; never y^e^ less was at y^e^ Evening Lecture w^th^ us; but kept House (as I also did) Wednesday Thursday Fryday. On Fryday Evening I heard he had not been well, & on Saturday I went to see him, & found him

on his Bed, in his Cloaths, easie & cheerful, & he told me Mr Foxcroft wd preach for him ye next Day.

On ye Lords-day I preached in ye Morning & gave Thanks for ye Lightness of his Indisposition in my Prayer for ye Removal of it. But before Noon ye Doctors found the threatning Symptoms of a lethargic or Apoplectic Kind, & immediately went into ye use of proper Medicine to prevent the Increase of them; but with little or no effect.

I inform'd ye Congregation hereof in ye Begining of ye Afternoon Exercise, & ye chapter that fell in Course happed to be as if chosen on the Occasion; & in ye close of ye Exercise I desir'd ye Church to stay, & said to 'em, that it became us early to have a Day of Prayer wherein to cry unto God for his invaluable Life, yt by his holy Will it might be spared unto us: — while I was thus speaking, Coll Wendel came in from Mr *Coopers house*, whither he went as ye Congregation broke up, & bro't us Word that ye symptoms increas'd so much, that we must meet ye next Morning, wch was immediately agreed on, & ye *Deacons* went to ye five Senior Ministers, who early came ye next Morning, & by ten in ye morning there was a great Assembly; Mr Checkly began with Prayer, I preached from Acts [ix. 34] Eneas, Jesus Christ maketh thee whole, & Mr Webb clos'd with Prayer. p. m. Mr Prince began with Prayer, Dr Sewal preached from & Mr Foxcroft clos'd with Prayer. There was much of the Presence of God with us, & never was there seen in Boston (it may be) a like Assembly of Silent Weepers.

But at Evening ye Symptoms were more threatning, & at six on Tuesday Morn. he expired & slept in Christ. The Congregation met that Afternoon & voted to bury him by a Subscription, wch presently rose to nine hundred pounds; They put his whole Family & me into Mourning, & gave Rings to all ye Ministers of ye Association.

On Thursday ye Funeral was attended with great Solemnity. The Church & Congregation walked before ye Herse, two & two; & never was there a greater Mourning thro' ye Town & Country. The Ministers that bare ye *Pall* & ye Deacons of

y^e^ Chh had mourning Gloves & Hat-bands; w^ch^ was new to us, but very decent. The Salary was voted to be continued to y^e^ Family, till further Order.

On y^e^ Lords-day following D^r^ Sewal preached with us in y^e^ morning on these words, for if we believe that Jesus died & rose again, even so them also &c

Ye next L. Day M^r^ Prince, — I have fought a good fight, I have finished my &c.

My own funeral Discourse was on *Jesus his weeping* in his Way to y^e^ Grave of Lazarus. Y^e^ Committee of y^e^ Church asked me to print it at their own charge.

Y^e^ rest of y^e^ Ministers followed in their Course, preaching with great affection & praying for us, to our great Comfort & I trust Edification. — I thank God, now at two Months End, I have found strength renewed for y^e^ doubled Work & Care w^ch^ this Bereavment hath called me to. — March 30. very weak & infirm almost y^e^ whole of this Months, & wearisome Nights of Catarhe & Cough are appointed me: M^r^ Professor M^r^ Appleton & M^r^ President Holyoke are taking their Turns with us.

April 22. Y^e^ Church voted that Tuesday y^e^ 15 of May be kept in prayer w^th^ fasting to seek ye Divine Conduct in y^e^ Choice of another Pastor, in Gods Time & Way.

May 16. Accordinly Yesterday was religiously observed by us; M^r^ Prince began in y^e^ Morning with Prayer, I preached from ye Prayer of Moses to y^e^ Lord, y^e^ God of y^e^ Spirits of all Flesh, to set a Man over y^e^ Congregation: M^r^ Gee closed with Prayer; In y^e^ Afternoon Exercise, M^r^ Checkly prayed, D^r^ Sewal preached, — If my words abide in you, ask w^t^ you wil &c: M^r^ Welsted closed y^e^ Exercise.

August 6. 1744. The Congregation met & voted y^e^ raising my Salary to nine pounds ℔ Week; & adjourn'd to y^e^ first Tuesday in September, then to take into their Consideration, — "whether they wil come into y^e^ Nomination of some Candidates to preach statedly each his Month, in order to our coming at y^e^ End of three or four Months into y^e^ Election of one of them

into y^e^ Pastoral Office? M^r^ Whalley, M^r^ Vinal, M^r^ Langdon & M^r^ Sam^ll^ Cooper were named by me to y^e^ Brethren.

Collections were also voted at y^e^ Thanksgiving & Fasts of y^e^ Year for y^e^ poor of y^e^ Chh. & Congregation, to be distributed by y^e^ Pastor & Deacons & Committee as they shal think good.

Septem^r^ 4. 1744. The Brethren of y^e^ Church & Congregation met according to Adjournment, & ye Meeting being open'd by Prayer, they after a little Discourse on the Proposal made by Me at y^e^ last Meeting; agreed to write their Votes, yea or nay.

Whether we shal now come into a Nomination of three Persons, to preach each his Month w^th^ us? reserving to our Rev. Pastor y^e^ Liberty of asking M^r^ Samuel Cooper to preach also, if he find himself inclined to begin his Evangelical Services. [In margin: 52. Yea: 13. Nay.]

Accordingly every One wrote their Votes, which being openly counted (besides near twenty for some other Persons) 54 were found for M^r^ John Whalley, 61. for M^r^ William Vinal, 59 for M^r^ Samuel Langdon.

Voted that at y^e^ Expiration of y^e^ Months aforesaid, the R. Pastor, with the Advice of y^e^ Deacons & the Committee of the Congregation, do call another Meeting of the Church & Congregation.

Sept^r^ 5. I wrote to each of y^e^ Gent^n^ Candidates informing them of y^e^ Votes of y^e^ Congregation respecting their serving us each a Month; & requesting their Compliance with said Vote: & also to M^r^ Samuel Cooper: — Who all willingly complied & fulfilled their Months, to the great Acceptance & Esteem both of y^e^ Pastor & y^e^ Congregation.

Decem^r^ 26. Y^e^ Committee & y^e^ Deacons met at my House, & unanimously advised to y^e^ Calling a Meeting of y^e^ Chh & Congregation y^e^ Monday following, at ten in y^e^ Morning, "Then to advise & determine whether they wil proceed to y^e^ Electing One into y^e^ Pastoral Office, or what they may judge further

necessary thereunto. — They were accordingly notified on y^e^ following Lords Day, & all desired to attend y^e^ Meeting with previous Prayer for y^e^ gracious Direction of God on so important an Occasion.

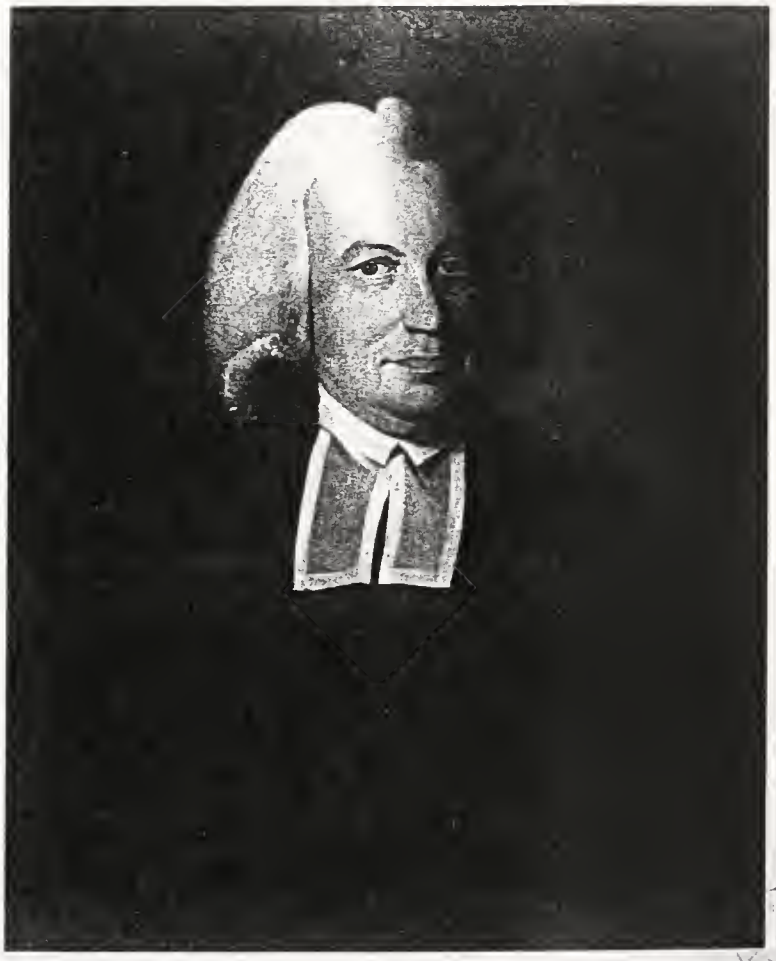
Accordingly y^e^ next Morning, Decem. 31. y^e^ Brethren met at y^e^ Hour appointed, a very full Meeting, of no less than 138 in number; when having open'd y^e^ Meeting with a Prayer suted to y^e^ Occasion, I spake to 'em in ye following Words,

"Honoured & dearly Beloved, — You well remember that at your last Meeting, the fourth Day of Sept^r^ past, you nominated & chose four Persons, to preach each his Month with us; who have accordingly done so; every One of them appearing now to you, I suppose, by y^e^ Grace & Gifts of God in them, very like to prove great Blessings in their Generation. — At y^e^ Meeting aforesaid you were pleased also to vote your Assembling again as on this Day; & I thank God for ye Opportunity of seeing you together; with a happy Prospect of Unity & Comfort in y^e^ great important Point that we are met upon. — The Year of our Mourning, under y^e^ holy bereaving Hand of God upon us, is now finished. — We have from one Lords-day to another, as well as on our sett & solemn Dayes of Humiliation & Prayer, been supplicating y^e^ great Head of y^e^ Church to repair y^e^ Breach, in his own Time & Way, & give us another Pastor after his own Heart, gifted & spirited like y^e^ dear Deceased; & I hope y^e^ Gracious Saviour has such a One in store for you & your Children, your Families & Housholds.

Thro' y^e^ Patience of God I continue with you to this Day, under ye growing Infirmities of Age; Never y^e^ less having obtained Help of God I have not failed, in one Administration or other, I think, to minister every Lords Day; & I thank God to your kind Acceptance.

And if I may now live to see you united in your Choice of another Pastor, as I once saw your worthy Predecessors with not a few of your Selves here present, I shal rejoice & give Thanks with you all; Yea might this be y^e^ Day, it wil be a gladsome one to me.

I need not repeat y^e^ Names of y^e^ young Gentlemen who



Sam.l Cooper

have been preaching to you at your Request; Messrs Whalley, Vinal, Langdon & Cooper: — "Show Lord wch thou hast chosen! & lead us in thy Truth & teach us! in Paths of Righteousness for thy Name sake; in ye Determinations of this Morning. Amen.

It was then taken into Consideration, Whether we were now ready to proceed to ye Election of One into ye Pastoral Office with me; & agreed that ye Question should be put, & ye Answer given by lifting up their Hands; — whereupon almost every Hand were lift up with an appearing great Alacrity & Gravity.

Accordingly the Assembly proceeded to write their Votes, wch was done, & they were given in at ye Table, number'd & open'd in ye presence of all, & found one hundred, thirty & eight; out of which one hundred & sixteen were for Mr *Samuel Cooper*, Son of the Rev. Mr Cooper deceased.

The Brethren then named a Committee, with ye Deacons of ye Church, to wait on Mr Cooper & inform him in their Name of this their almost unanimous Election of Him into ye Pastoral Office over them: by Name Jacob Wendell Esqr, James Allen Esqr, William Tyler Esqr, Hugh Hall Esqr, William Downes Esqr, John Erwin Esqr, & Mr Thomas Hancock; who accordingly carried the Vote to Mr Cooper written & attested by ye Pastor.

And from this Time Mr Cooper preach'd to us himself, or supplied ye Pulpit.

March 7. 1745. He gave his Answer in Writing, wch I read to ye Congregation ye Lords-day after,

To ye Revd Dr Colman, to be communicated to ye Church & Congregation.

"Since it has pleased God, in whose Hands ye Hearts of all are, to incline me (as I wd humbly hope) in some good Measure from proper Views & Motives to devote my Self to ye service of the Sanctuary; & whereas in his Sovereign Providence he has led this Hond Church & Congregation to call me into the Relation of a Pastor with them; After having seriously deliberated on ye matter, & taken ye Advice of my

Rev^{d} Fathers in y^{e} Ministry, with humble Prayer to God for his gracious Direction in so important an Affair; The Call has appeared to me so clear & strong that I dare not refuse it:

I do therefore hereby testify my Acceptance of this Your Invitation, not without a sense of y^{e} Greatness & Importance of y^{e} Ministerial Work & of my own Weakness & Insufficiency, & so a Dependance on y^{e} Grace of God which alone can be sufficient for me; Nor yet without great Incouragment from y^{e} Unaninity with w^{ch} you were led into this Determination; the Interest I trust I have in your Affections as well as Prayers; & y^{e} great Helps I am like to receive from y^{e} Advice & Instruction of your Venerable Pastor, who has been & I doubt not wil continue to be a Father to me: but above all from the Promise our Saviour has made to his Ministers of his Presence with them to y^{e} End of y^{e} World.

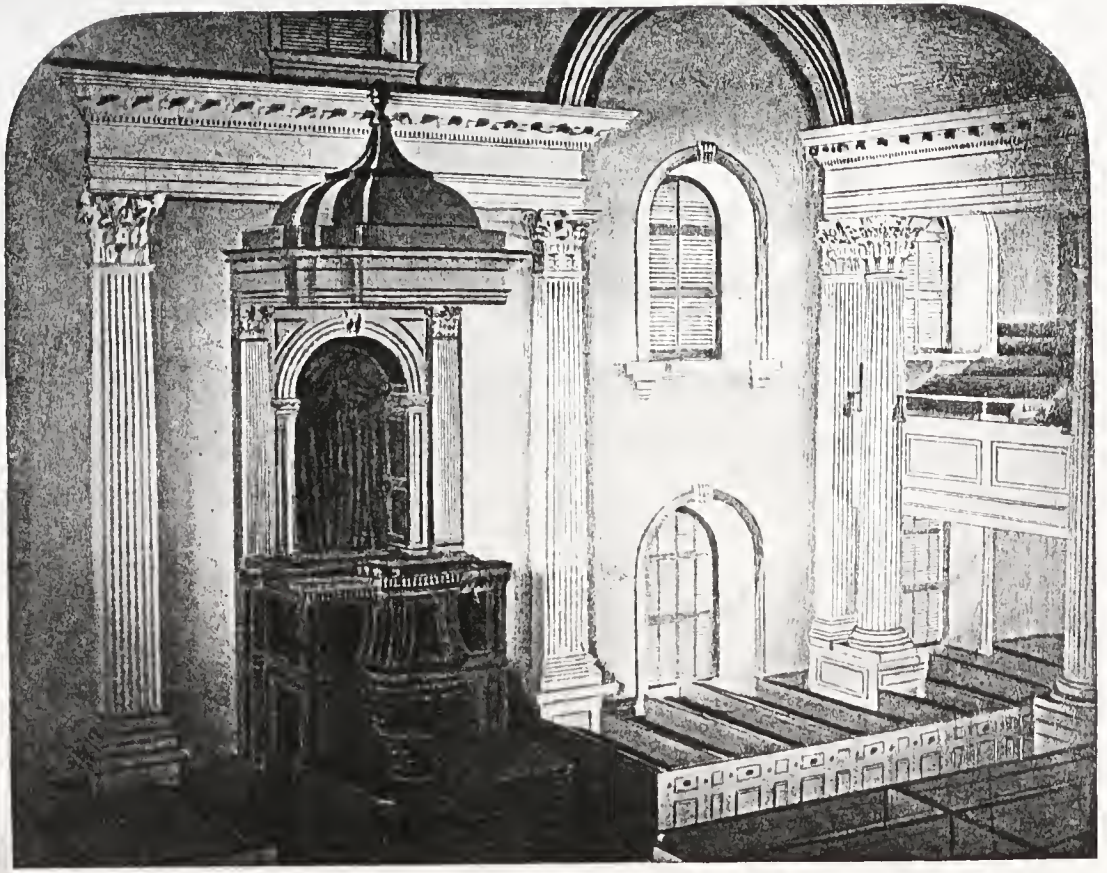
But yet considering my Years, & great Want of Study & Experience I must ask of you, as you know I have a dear & engaging Example for it, that my solemn Separation to y^{e} Work of y^{e} Ministry may be deferred for a Year, & that in that time I may not be expected to preach but once in a fortnight, if it should please God to strengthen our Aged Pastor as he has hitherto done, & you think it convenient to grant me this Liberty — And now my Fathers & Brethren, entreating you to continue that Candour & Goodness you have hitherto shown me, & asking y^{t} your Prayers (w^{ch} I am confident I have) that y^{e} Gifts & Graces of y^{e} Holy Spirit y^{e} Mantle of Elijah may rest upon me &c., I am your Servant in our Lord

SAMUEL COOPER.

I then said to the Church, — "you have y^{e} Pleasure, my Brethren, to hear y^{e} Answer of M^{r} Cooper to the Call you have given him to y^{e} Pastoral Office over You in y^{e} Affirmative, that God has graciously inclin'd him to accept it; & that accordingly he gives Himself first unto y^{e} Lord & unto you by y^{e} Will of God, to be y^{e} Servant of your Souls for Jesus sake all y^{e} dayes of his Life.

You wil therefore now look upon him as your own in y^{e} most special, sacred, spiritual & endearing Relation, & I pray God he may long & alwayes come to you in y^{e} Fulness of y^{e} Blessing of y^{e} &c.

As to what he proposes respecting our excusing him from a constant preaching to us every Lords-day for y^{e} present year, & that his Ordination may not be bro't on in it; as it must be



own'd to be a modest & prudent Request in him, becoming his tender Age, so I doubt not you wil readily yeild to his Desire, as far as y^e^ Infirmities & Weakness of my Age wil permit you; & further he wil not desire. — But y^e^ Consideration of that matter wil, it is likely within a little time, come before you in a Meeting of y^e^ Congregation.

July. 19. 1745. The Hon^d^ Committee of y^e^ Chh. & Congregation, with y^e^ Deacons, were desired to meet at my House this Evening & when met I proposed to them my Desire that M^r^ Coopers Ordination might be bro't on before Winter; my own Infirmities being so many that I tho't it my Duty to propose it, & y^e^ true Interest of y^e^ Chh. & Congregation that it should be so. After some Discourse had upon y^e^ thing proposed, they every One present concurred in & advised to it.

The Time then was also considered, & y^e^ Month of October was fixed on as y^e^ most sutable. It was agreed that I should accordingly call a Meeting of the Church & Congregation within a few Weeks, to know their Mind, having first signified to M^r^ Cooper y^e^ Mind of y^e^ Committee.

Upon the question's being taken it was established as

a rule, that it was sufficient for admission, that the wish of him who is about to join sh^{d} stand propounded from *one meeting of the chh to another.*

1808. Jan. 3. The chh. stopped after communion, when the pastor informed them that he had received a letter from the two deacons Grant & Thacher, requesting him to lay before the chh the propriety of choosing one or two additional deacons.

It was agreed that the measure was expedient. A motion was then made that *two* deacons sh^{d} be chosen, w^{ch} was carried in preference to *one*, 12 to 9. It was then unanimously agreed to come to the choice on the last Sabbath in this month.

N. B. In giving M^r^ Thacher his recommendation to the fellowship of the Chh with wch he was to be connected, I did not think it necessary to call the chh together, as this is directly contrary to the practice vindicated by the founders of our chh. & is entirely unnecessary. In the present case I was the more willing to establish this precedent as there could be no doubt of the great affection & esteem borne to M^r^ Thacher in whose settlement among us I most gratefully rejoice.

Voted to send six delegates viz. 3 Deacons & Messrs. Hancock, Hammond & Gorham

The moderator read the following records of the proceedings

relative to the settlement of Mr Everett, which had been communicated to the Deacons pursuant to the votes of the Society, viz,

The Society met on Sunday the 31st day of October 1813 at the request of the Standing Committee Meeting on the 24th instant — of which the following is a copy, viz, The sub-committee for the supply of the Pulpit having notified the Committee, that the term for which Mr Edward Everett had engaged to supply the Pulpit would close with the next Sabbath and it appearing that the Society, so far as their opinions had reached the Committee were in general favorably impressed with the manner in which the duties of the desk had been discharged by Mr Everett, therefore,

Voted, That a meeting of the Society be convened on the next Sabbath in the afternoon, immediately after divine service, and that it be submitted to the consideration of the members, Whether they will invite Mr Everett to preach upon probation, or will take any other measure in relation to him as a candidate for the ministry?

M^{r} Everett's Answer to the invitation of the Society

CAMBRIDGE, Dec^{r} 24th 1813.

To the Society in Brattle Square.

MY CHRISTIAN FRIENDS, — Having made the call to be your Pastor the subject of my most serious deliberations and prayers, I now signify to you my acceptance of it. I am encouraged to this decision, less by a reliance on my own strength, than on your kindness & candour and the hope, I feel, that in all my duties and trials, I shall be supported by your councils & prayers. Deeply as I am affected with the experience I have had of your indulgence and especially with this last mark of your confidence, I will not profess to look forward to the arduous office to which you have called me without a deep anxiety. I regard with great diffidence of myself the various & extensive duties, which it devolves upon me, and the solemn responsibility with which I must discharge them. And when I recall the illustrious gifts & graces of him in whose place I am called to stand, I am oppressed with the sense of my weakness. Yet I know that your indulgence which has brought me to this

station, will not desert me there, and I humbly trust that the good providence of God will not first fail me, at the season when I need it most. While I rest therefore in him, for the grace which is sufficient for me, suffer me to look to you for that liberal reception of my services, and that generous interpretation of my conduct, on which all the outward comfort and happiness of my life depend.

The happy circumstances under which you have given me this invitation, have not been lost upon my gratitude. I have felt and shall feel it my duty to preserve by every effort, that Christian unity of which you have made so grateful an exercise and it is my heart's desire to God, that the connexion which has thus commenced in harmony, may be continued in the unity of the Spirit in the bond of peace; & that God would bless this connexion to the promotion of Christian Truth, and make it subservient to our common & eternal good, is the fervent & humble prayer of your faithful,

And Affectionate Servant
And Friend
EDWARD EVERETT.

Whereupon it was voted, That a letter be sent from this Church to the Pastors of the several Churches & to the other Rev[d] Gentlemen named in the foregoing vote, requesting their attendance for the purpose therein expressed, & that the Deacons, Grant & Thacher, be a committee to sign the said letters in the behalf of the Church.

Voted, that the Deacons be a committee to communicate to the Ordaining Council the proceedings relative to the settlement of M[r] Everett & to represent this Church in all matters wherein they are concerned.

On suggestion of the Deacons, that it would, in their estimation, be for the interest of the Church, to elect one other to fill the office of a Deacon, & that the present was a favourable opportunity to take the subject into consideration, it was voted, that at the adjournment of this meeting, the Church will proceed to the choice of one to fill the office of a Deacon among us, & the meeting was then adjourned to Sunday the 13. Feb[y] next to meet after divine service in the afternoon.

Attest, P. O. THACHER, *Moderator.*

Feby 9. 1814. In pursuance of the preceding measures the ordination of Edward Everett to the pastoral care of the B. S, Church & Society took place this day. The Ecclesiastical council consisted of the members made [*sic*] above: and after considerable discussion upon the subject of receiving from the Candidate a confession of faith; which was asked for by Rev. Dr Osgood; a Motion was made by the Rev. Dr to proceed to Ordination upon the candidates professing his belief in the (commonly called) Apostles' creed. To this motion the agreement was unanimous except that Rev. Dr. Holmes and Mr Huntington forebore to vote and Deacon Whalley a delegate

withdrew. The Exercises of the day were an Introductory prayer by Rev Dr Lathrop, Sermon by Rev. Dr. Kirkland, Ordaining prayer by Rev. Dr. Osgood, Charge by Rev. Dr Porter, Right hand of Fellowship by Rev. Mr. Thacher, and Concluding prayer by Rev Dr Harris.

Feby 13. At a Church Meeting held after divine service this P.M to make choice of a Deacon, Mr Alden Bradford was unanimously elected.

1815 Jan. 29 The brethren of the church met after divine service and a letter was communicated by the Pastor from the Church in Lunenburg Requesting us to attend by Pastor and delegates the ordination of Mr. David Damon at that place: Feb^{y} 1st.—

Upon the suggestion of the Pastor that The distance of the Place & the Inclemency of the season might make it Inconvenient to attend it was Voted to Comply with the Request of the Church in Lunenburg in attending the Ordination of Mr. Damon if convenient to the Pastor & delegates to attend.— It was Voted that the Three deacons be the Three Delegates.

March 12 At a Church meeting held after divine service this afternoon, a letter was communicated from the first Church in Boston, informing that they had made choice of M^{r} Nathaniel L Frothingham as their Pastor, & asking the presence of the Church, by their Delegates, at the ordination on the 15th instant.

It was voted to comply with the request and that Deacons Grant & Bradford, & Brothers Hancock, Phillips and Richard Sullivan be the Delegates upon that occasion.

Note. At a meeting of the Society on the 5th a letter was communicated from the Rev. Edward Everett, our Pastor, informing of his election to the Greek Professorship in Harvard College, & expressing a desire, for the reasons therein stated, that his pastoral relation with this Church should be dissolved. After Deliberation, the Society voted to comply with his request. The proceedings upon this occasion, which occasioned deep

regret in the minds of the parish, and which issued in the dissolution of a connection, which though of short continuance, had been attended with mutual harmony and with great advantage & happiness to the Church, are recorded at length in the records of the Society.

July 2d. The Church met after service this evening, to consider a proposition of the Deacons of the First Church, that the monthly lecture, on the friday before the Communion, should in future be attended at the Chauncey Place. Whereupon, after debate, it was voted, that the Deacons Grant, Bradford & Thacher be a Committee, to confer on the subject, with any Committee, which should be appointed on the part of the First Church, & to report whenever it may be convenient.

July 23 The Church met after service this evening & receved from the Deacons the following report viz

The Committee appointed by the Church at their last meeting, to confer with any Committee of the First Church on the subject of holding the Friday Lecture, in future, at the Church in Chauncey Place, report: that considering the distance to which the First Church have removed their place of worship, & that a large proportion of the members reside in parts of the town, which are distant from Brattle Square; it is, in the opinion of your Committee, attended with some inconvenience & disadvantage to them, to attend the lecture at the present place of worship. But considering that the union of our churches in this agreeable service has happily subsisted for nearly a century, and that its convenience & utility have been acknowledged by both, especially by our Pastors in times past; the Committee are induced to recommend, as the result of their conference, that the lecture be hereafter holden alternately at the Churches in Chauncey Place & Brattle Square, and that notice of the time & place of holding the same be regularly given on the sabbath preceding. The Committee make this recommendation, from a desire to preserve the connection with the First Church, & are satisfied, that its adoption by us will be regarded by our Brethren of that Society as a proof of our sincere desire to promote their prosperity, & likewise to maintain the fellowship of our Churches.

Per order, MOSES GRANT.

July 22. 1815

which being read, it was voted to accept the same & that a record thereof be made.

1816 Dec^r 22 At a meeting of the Church held after divine service this afternoon, a letter was communicated from the Second Church in Boston, informing that they had united in the choice of M^r Henry Ware, as their pastor, and asking the presence of this Church by two delegates, at the ordination, which was appointed to take place on Jan^y 1^st 1817.

It was voted to comply with the request, and Deacons Bradford and Thacher were chosen Delegates for the occasion.

1818 Jan 11^th At a meeting of the Church, after divine service in the afternoon — the following statement from the Deacons was read & voted to be placed on the records of the Church —

The Deacons of the Church in Brattle Square ask leave to inform their Brethren, that on the 8^th instant they received from the Executors of the last Will of the late Deacon Moses Grant the sum of eight thousand six hundred fifty dollars $\frac{16}{100}$, in three per cent Stock of the United States; & the sum of two hundred & sixty four dollars $\frac{56}{100}$ balance of cash remaining in his hands at his death, as Treasurer of the Church. — The said sum of $8650.16 is made up of sundry sums of money, which have been in times past bequeathed to the Deacons in trust, & constitutes a fund, the interest of which is to be by them distributed among its poor members. The names of these Benefactors, so far as they are now ascertained, are Timothy Clarke, Thomas Hancock & Nathaniel Gray Esqrs, Hon. James Bowdoin, Thomas Gray, William Erving & Timothy Newell Esqrs. Lydia Hancock & Elizabeth Bowdoin & the Thursday evening charitable Society. The intention of the benevolent persons has been faithfully complied with; & the Deacons have been enabled to assist & encourage many excellent persons, some of whom have fallen from affluence, & all of them deemed to be objects of charity. — In the death of Deacon Grant, the church has lost a most worthy & diligent officer, who honored

his christian profession by a life of piety & benevolence. He was chosen to office in the year of 1793. For many years he served the society as their Treasurer. In the year 1798 he succeeded the late venerable Deacon Newell in the office of Treasurer of the church. From that time to his death he continued faithfully & cheerfully to assist in the administration of the ordinance of the Supper, & to attend to the management of the property & to the care of the poor. His memory & example excite the most grateful & respectful recollections. The records of the church & of the pews are now in the care of Mr. Bradford, and the property in the hands of Mr. Thacher.

The Deacons submit to the consideration of their Brethren the propriety of attending in due time to the election of an officer in the place of Deacon Grant. And in the mean time they will use their diligence that nothing shall be omitted, which may tend to the prosperity of the Church —

April 12th At a Church meeting after public worship P. M. on motion, it was voted, That the church will proceed, on next Lord's Day, to the choice of one or more of the brethren to be Deacons.

April 19. The Church met after public worship, according to adjournment, when it was voted to proceed to the choice of two Deacons — The votes being collected & counted were found to be as follows viz. 21 for Hon. John Phillips, & 17 for Mr. Moses Grant, and 3 for Joseph Hall Esqr and the aforenamed John Phillips & Moses Grant were declared chosen accordingly.

1818 April 26. At a meeting of the church & society after public worship, it was voted *unanimously* to invite Mr. John G. Palfrey to take the charge of this Society as a minister of the Gospel, he having preached several days on probation, with a view to a settlement by request of the Society, & given full satisfaction of his talents, learning, piety & other ministerial endowments. It was also voted to provide a house for the use

of Mr. Palfrey, & such a quantity of fire wood as he should from time to time require, & to pay him thirty dollars a Sabbath, or week, to be paid monthly — It was also further voted, that from a regard to the health & usefulness of Mr. Palfrey, & from the consideration, that it would be mutually beneficial to him & to the Society, he be authorized, at the expense of the Society, to employ some person to preach every fourth sabbath, for the period of five years.

The standing Committee of the church & Society were requested to communicate the above votes to Mr. Palfrey; &, on receiving his answer, to make the same known to the Society.

May 10th. The following letter was communicated by the standing Committee, from Mr. Palfrey, to the Society, viz.

CAMBRIDGE, May 5th 1818.

To the members of the church and Society in Brattle Square, Boston,

BRETHREN, — Your Committee have communicated to me your votes of the 26th. of April inviting me to the office of your gospel minister. I have received this mark of your regard & confidence, less as a flattering testimony of approbation, than with a humbling consciousness how much I am indebted for it to your candour, and of the insufficient ability, with which the duties it calls me to undertake must be discharged. I look forward with an anxiety more & more lively, the nearer I approach to them, to the labors & trials of the christian ministry; & I do not reflect, without concern, on the solemn responsibility, under which they must be met. I consider, with a painful interest, the extent of the charge, for which I am about to make myself accountable: And when I remember how eminently a kind providence has hitherto favored you with the means of religious improvement, I am oppressed with the thought, of what demands it must first be my lot to make on your indulgence.

On the other hand, I am encouraged to enter on this new way, which providence opens before me, by the past experience I have had of divine goodness & your candour. In the circumstances, with which your invitation has been accompanied, I see the most gratifying proof of the existence of dispositions, such as, if they continue to be exercised, will do all, which depends on them, for my happiness, & furnish every facility to the success of my ministerial labors. It will be my constant

study to cherish them, & to deserve them better. I regard them as imposing on me a further obligation to zeal & diligence in the work, to which the divine will & your favor have called me: And liberally as they have been given, they will compel me to look for the fault in myself, if I should ever be so unhappy as to forfeit them. In the singular unanimity, which has marked your call for my services, I find not more a circumstance most grateful to my own feelings, than the manifestation of a spirit of christian peace, which it will be my continual aim to cultivate, and which augurs most happily for the prosperous issue of my exertions. What I have uniformly experienced of the liberality of your sentiments, I view as a pledge entirely to be relied on, that your confidence will not be lightly withdrawn; and, much need as I shall have to ask you to receive well designed, in the place of successful efforts, I shall not doubt, that my motives will always be viewed with a liberal construction, & my exertions met, on your part, by such corresponding dispositions as can alone make them effectual to your religious improvement and salvation. Finally, I trust & pray, that my weakness may be made strong in the strength of that Master to whose service I am called; and do not doubt that I shall be aided with his guidance and blessing in proportion to the sincerity, with which I devote myself to his cause

Impressed as I am most seriously with these sentiments, brethren, trusting humbly in God for the communication of that grace without which our purposes & expectations are vain, and looking confidently to you for that kind interpretation of my conduct which is essential to give encouragement and a happy event to my endeavors, I signify to you my assent to your proposal. In so doing my mind is penetrated with the reflexion, that while I am receiving from you, as far as they may be communicated from one to another, the charge of your most important, your spiritual concerns, I am in turn giving up my earthly happiness to the care of your kindness. That each may guard with vigilance & tenderness the weighty trust thus mutually reposed, and that the interesting connexion about to be formed may be to all of us the means of present and eternal good, is the earnest hope & constant prayer of your faithful friend & servant in Christ.

JOHN G. PALFREY

1818 May 17. Agreeable to a vote of the Society on the 10th the above, together with other proceeding in relation to the call giving [*sic*] to Mr. Palfrey to settle as the Pastor of the Church & society, was communicated to the church, with a request, that the Church would send letters to the aforenamed Pastors & churches, inviting them to attend & assist in the ordination of Mr. Palfrey, the day above mentioned: When it was thereupon voted, that the Deacons be requested to prepare letters accordingly & sign them in behalf of the church — and also, that they lay copies of the proceedings of the church & Society, touching the invitation to Mr. Palfrey, before the ordaining council when convened.

It being suggested, that Mr. Palfrey had expressed a desire to be admitted a member of this Church, tho' no written application was made by him, and it being stated that he was

a member of the church in the University in Cambridge under the pastoral care of Rev[d] Dr. Kirkland on motion of Deacon Thacher, it was voted unanimously to receive and admit him a member of this church, of which he is soon to take the oversight & charge.

June 17th 1818. The pastors & delegates from twenty one churches invited to assist in the ordination of John G. Palfrey met at the court-house, at 9 A. M. the usual papers having been exhibited, the candidate at the request of Dr. Osgood read a paper expressing his views of the Christian System. The Rev. Mr. Huntingdon [*sic*] expressed his dissatisfaction, but the council after some debate voted to proceed to the solemnity, Mr. H. alone opposing. The Rev. Dr. Thayer introduced the services with prayer, Dr. Porter gave the sermon from Matthew VII. 28. 29. President Kirkland the consecrating prayer, Dr. Osgood the charge, Mr. Frothingham the right hand of fellowship, & Mr. Colman addressed the throne of grace in conclusion.

Oct. 11th At a meeting held after divine service, letters missive from the new South Society in Boston were submitted by the pastor, requesting the Church to attend by their pastor & delegates the ordination of Mr. Francis W. P. Greenwood. It was voted to attend by the pastor & four delegates; viz. the three deacons & Col. Hancock.

Dec. 27th At a meeting held after divine service the pastor informed the brethren, that the first church, observing the great neglect into which the sacramental lectures had recently fallen, had chosen a committee to consider the subject, & to confer with any committee whom they might appoint, with a view to devise measures for securing a more general attendance. I herewith enclose to you my answer to the question proposed by that communication. After that time I will take charge of the Bratt[e] St pulpit, and supply it by exchanges. My installation I should wish to have postponed till my domestic arrangements are completed, and my family settled in the Parish House that there may be nothing after that to interfere with my parochical duties. April 21[st] 1834

To the Church and Society in Brattle Street Boston —

Christian Friends, — Your Committee in the most friendly and respectful manner communicated to me the votes by which you invited me to accept the important office of your Religious Teacher and Pastor.

This testimony of your esteem & confidence expressed with such unanimity of opinion could not fail to be grateful to my feelings, at the same time a call to decide a question of such importance as the relinquishment of my present charge, and the acceptance of a situation so honourable & dignified in itself as the one you offer me, so arduous in its duties, so hallowed in the eyes of all by the men of genius, learning & piety who have filled it, could not fail to awaken in me the deepest anxiety.

In deciding it I have found myself surrounded by difficulties and dejection arising from a distrust in my own abilities to meet your expectations and from my expressions of strong attachment on the part of my people and their extreme unwillingness to relinquish my services

Having given to the subject then enquiry and deliberation its importance demands I have come to the conclusion that compliance with your wishes is my proper and necessary course. I hereby signify my determination with the consent of my Church and Society, for which I have applied, to accept your invitation.

To this determination of Providence I submit with trembling solicitude relieved however by a confident expectation that I shall receive all proper indulgence, and support from those with whom I shall be connected and sustained by the hope that my best exertion as Pastor of your ancient and venerable church will be crowned by the blessing of God, with honourable usefulness

With Christian Salutation and great Respect I am bretheren

your friend & Servt

S. K. Lothrop.

Feby 15th 1835 At a meeting of the Church holden this day, the Pastor laid before the Church the following propositions, relating to the covenant & forms of admission to the Communion: 1st That the covenant written in the small Pulpit Bible, be adopted as read by the pastor, as the covenant of this Church; there never having been any vote of the Church adopting it. 2d That any person wishing to join this Church & not approving our covenant he may be received to fellowship, upon professing his Christian intentions & Christian faith in any other form of words he may prefer. 3d That whenever any individual is desirous of joining this church, & from timidity or any other cause, is indisposed to acknowledge the Covenant in

public, he may acknowledge it in private, & shall be received to fellowship, whenever that acknowledgement shall be publicly announced by the Pastor. After some discussion, in which, Messrs J. C. Gray, Geo. Bond, Alden Bradford & Peter O. Thacher took part, these propositions were on the Motion of W^m^ Lawrence, referred to a Committee, to consist of the Pastor & Deacons & 5 others. On Nomination, Messrs. J. C. Gray, P. O. Thacher, Geo. Bond, Henderson Inches & Nathan Hale, were put upon this Committee.

May 31^st^. A letter Missive was received from the First Congregational Church in Quincy, inviting the presence & assistance of this Church, at an Ecclesiastical Council, to be convened on the 3^d^ of June next, for the purpose of Installing the Rev. Wm. P. Lunt as Colleague Pastor with the Rev. Peter Whitney — It was read to the church this day. Whereupon voted,

That this Church accept the invitation, & be represented by the Pastor, & George W. Bond, Delegate.

June 20^th^. A Letter Missive was received from the 2^d^ Congregational Society in Portland Maine inviting the presence & assistance of this Church at a Council to be convened on the 24^th^ inst for the purpose of Installing the Rev. Jason Whitman as their Pastor. It was read to the Church whereupon, Voted That this Church be represented on the Council, by the Pastor & Alden Bradford, Delegate.

July 5^th^ A Letter Missive was received from the 1^st^ Congregational Church in Dorchester, requesting our aid & presence at the ordination of Rev. Nathaniel (B. sic) Hall as Colleague Pastor, with Rev. D^r^ Harris: Read to the Church, Whereupon Voted, That this Church comply with the request, be represented by the Pastor & Henderson Inches, Delegate.

July 5^th^. At a meeting of the church, this day holden, the Committee appointed to consider the propositions submitted to the church by Pastor, presented the following report —

The first proposition offered by the Pastor relates to the adoption of the Covenant written in the small pulpit Bible as the Covenant of this Church. After a full & free discussion of this point it seemed to the Committee, that the Covenant, now in use tho' in the main very simple & general in its terms did yet contain some few expressions, of a technical character; such at least, as are in use to signify belief & from their nature imply belief in certain doctrines that are matters of dispute among Christians & which it is therefore desirable not to introduce into a Church Covenant. The Committee thought therefore that by omitting these & making some other slight alterations, the Covenant now in use might be improved, rendered acceptable to all, made so simple that no serious & right-minded person could object to it, & that consequently all ground for the adoption of the second proposition of the Pastor, to which some of the Committee in Common with many members of the Church have serious objections, might be removed. The Committee propose therefore that the following form of profession be adopted as the Covenant of this Church:

You declare your belief in one God the Father Almighty, Maker of Heaven & earth, & your acceptance of the Old & New Testament as a revelation of the mind & will of God to men.

You profess repentance toward God & faith in our Lord Jesus Christ, as the promise Messiah & Saviour of the world.

You promise to walk with God & this Church of his in all his holy ordinances & to yield obedience to every truth of his which *has been* or *shall be* made known to *you* as *your duty*, God assisting you by his Spirit & Grace.

We then the Church of our Lord Jesus Christ in this place, do admit & receive you to fellow-ship with us, to watch over you in [the] Lord, & to carry it toward you as becometh our sacred relation to you. And this we do with our prayers to the God of all Grace that you & that we may be faithful to our religious engagements.

The second proposition of the Pastor, was as follows.

Resolved, "That if any person wishing to join this church, do not approve of our Covenant he may be received to fellow-

ship, upon professing his Christian faith & Christian intentions in any other form of words he may prefer."

The Committee do not recommend the adoption of this resolution; because it seemed to many of their number, that if any Covenant were established, there was a propriety in having one & the same for all, & in the opinion of all the Committee, the greater simplicity made in the Covenant, by the alterations proposed & the peculiar feature introduced by the expression, "yield obedience to every truth that has been or that shall be made known to you," implying the liberty of change in individual opinion & progress in religious knowledge, seemed to render the resolution unnecessary either for the promotion of truth or the enjoyment of christian ordinances.

The Committee recommend the adoption of the third proposition, as altered & amended in the following resolution.

Resolved, "That whenever any individual is desirous to join this Church & is unable, from reasons which shall be deemed satisfactory by the Pastor, to make an acknowledgment of the Covenant in public, it shall be in the discretion of the Pastor, to receive such acknowledgment in private, & such person shall be received to fellowship whenever that acknowledgment shall be announced to the Church."

In relation to the Baptismal Covenant, submitted to this Committee on the motion of Mr Bond, the Committee are of opinion, that it should be left to the discretion of the Pastor to require such acknowledgments, & profession from the Parents or guardians, as shall be satisfactory to himself.

The views here presented, are such as the Committee trust, will be satisfactory to all, & will tend to preserve the harmony & promote the increase & improvement of the Church.

All which is respectfully submitted,

(Signed) S. K. Lothrop,
for the Committee.

After some discussion, the report was unanimously accepted, & the covenant here proposed, is to be hereafter used as the Covenant of this Church.

On motion of Mr Bond, Voted, "that this report be read on Sunday, to the whole Congregation & that copies of the covenant by [*sic*] printed & distributed in the pews" —

Nov 1837. After the Communion service on the 1st Sunday in this month, the pastor called the attention of the Church to the importance of having stated monthly meetings of the Church for mutual edification & religious improvement & appointed a meeting to be held at the parsonage in Court Street on the Friday Evening before the next Communion; these meetings to take the place of the Union preparatory Lecture, which the other Churches, associated in it, viz Dr Channing's, The First Church, & Church Green & the Purchase Street, Mr Ripley's were disposed to relinquish. At the first meeting held, as appointed the Pastor read a brief paper on the objects of such Church Meetings, the manner in which they should be conducted & the benefit to the individual & to the body to be derived from them. The meeting was well attended & successful.

Nov. 1838 — At a meeting of the Church held on the 16th of this month, Deacon Grant presented an application of the Pitts Street Chapel, under the care of Rev. F. T. Gray, one of the Ministers at large in the employ of the Benevolent Fraternity, for the loan of some of the communion plate of the Brattle Square Church that was not used by them. In presenting this application Deacon Grant said that it ought certainly to [be] complied with, as our Church had a considerable quantity of plate which was not used in the monthly communion service & that it ought not to be denied to some poorer, who needed it. On his motion it was

Voted; That the Deacons have authority to loan to the Pitts Street Chapel such pieces of plate as might be appropriate & desirable for their use in the Communion Service. Also

Voted; That the Deacons with Peter Oxenbridge Thacher be a committee with authority to examine all the Church plate not in use; to have it appraised & report what disposition should

be made of it; the opinion being expressed that it ought to be sold & the proceeds invested & the income of the same used in behalf of the poor of the Church.

Dec. 29, 1839. A meeting of the Church was held this day at the House of Deacon Moses Grant, Cambridge Street, at which the Committee appointed more than a year ago on the unused plate of the Church made a report; presenting a schedule of the different pieces, the number of ounces in each, & the value of the same per ounce according to the estimate of the most prominent jeweller in the city; & recommending that it be sold according to that estimate of appraisal. Objection was made that it was hardly respectable, certainly not pleasant for Brattle Street Church to offer its supernumerary pieces of plate most of them gifts for the communion service for sale in any public way. While it was very proper to sell it & make the income available to the poor of the Church, it should be done in a private & not public manner. It was then proposed that as there was a very full meeting of the male members of the church the plate should be sold then & there by auction; the Brethren to bid for choice & then select what piece or pieces he chose at the appraisal. This was done; & in a few moments the pieces were all sold. As the bidding grew slack at the very last, & only one piece remained unsold; it was moved that that piece be presented to the Pastor. The brother acting as auctioneer, "do you mean to the Pastor or to Rev Mr Lothrop?" the mover said, "I mean to our present pastor as his personal property"; & the motion prevailed. The proceeds of the whole sale amounted to nearly twelve hundred dollars.

Monthly Church Meetings not resumed this Winter The pastor delivering a course of Sunday Evg lectures in the vestry instead.

Oct 4th 1840. At a meeting of the Church held this day, a letter missive from a Committee of Hollis Street Church was read inviting us to be represented on an Ecclesiastical Council

to consider the difficulties between Hollis Street Church & its Pastor Rev. John Pierpont. After some discussion the letter was referred to a Committee of which Dr J. G. Palfrey, now worshipping with us was Chairman.

Oct. 11th 1840. At a meeting of the Church held this day; Dr Palfrey in behalf of the Church & the Committee presented a full report, closing with the opinion that it was expedient & proper that this Church should be represented on the Council. The Report was accepted, & the Church agreed to be represented on the Council the Pastor & as Delegate, Rev. Dr Palfrey.

Febry. 11th 1841. Letters missive from the Committee of the Hollis Street Society inviting the Church to be represented on an ex-parte Council to be convened on the 15th inst were laid before the Church & after discussion the proposition or invitation was accepted; & the Church was represented by the Pastor & Dr Palfrey.

March 7th 1841. There being a clear prospect that the above ex parte Council would by agreement of parties be changed into a mutual council & would have a long work before them, Dr Palfrey asked to be excused from serving as Delegate & then Richard Sullivan was appointed in his place.

March 21st. A letter missive from Church in Sterling, inviting us to be represented on a ecclesiastical council for the ordination of their pastor elect, Rev Mr Fosdick; accepted Mr Wm Lawrence appointed Delegate.

Note — Had rather a bad time at this Council through the refusal of Mr. Fosdick to present any testimonials of his Church membership, christian character & theological education &c. He denied the right of the Council to make any such inquiries, I voted against proceeding to ordination; but was overruled by the Council, who voted to proceed to ordination. The Churches are growing very negligent & loose in these matters. Hereafter I shall go to as few ordinations as possible, & keep no record of letters missive.

Jany 4th 1846, A letter missive from Church in Barre, asking our presence & sympathy at a Council to be convened on the 7th to ordain their pastor elect, Rev Wm Henry Bond,* a son of this Church. Invitation accepted & Deacon Geo. W. Coffin Delegate.

MEMORANDA.

[On a loose sheet in Dr. Lothrop's handwriting, lying in the Record-book.]

Upon the resignation of Deacon Geo. W. Coffin, in consequence of his removal to Jamaica Plain, Stephen Palmer Fuller was chosen Deacon of the Church 1848.

Upon the resignation of Amos Lawrence in consequence of growing infirmities in 1850, Hon Nathan Hale was chosen Deacon of the Church.

Upon the death of Mr Hale Peter T. Homer was chosen Deacon on the 6th of May 1860.

After the death of Deacon Moses Grant, in 1861, various attempts were made to supply his place, but all the brethren designated declined, & we remained with two Deacons, Stephen P Fuller & Peter T. Homer.

After Deacon Fuller's death, in the spring 1871, after the Communion service on the 1st Sunday in May the Pastor of the Church called attention to the fact that we had but one deacon & that it was important for various reasons that we should have *three*, which had been the invariable custom of the Church, till recently & a special meeting of the [Church] was appointed for the consideration of this subject, to be held at the parsonage on the 28th of May; & at this meeting after conversation, Deacon Homer, Mr Geo. Howe & Mr Eben Dale were appointed a Committee to nominate two persons to be chosen Deacons.

At a meeting of the Church held after communion June 4th 1871, this Committee nominated Mr O. W. Peabody & Mr Ellis L Motte, & they were unanimously chosen. Both these Gentlemen subsequently declined, & since there has been no action of the Church upon the subject; P. T. Homer is the sole deacon, but Rev. C. T. Thayer who has declined being a candidate for the office, kindly assists in the distribution of the elements. I hope that there may be a revival of respect for the office & some proper persons be induced to accept

		Frances R. Wright.

I here record, that on the admission of these members, — the first who were admitted in the year 1822, — I omitted these words in the covenant; "the merits of our glorious Redeemer for;" wh. alteration I intend to be permanent.

The sentence hitherto stood. "And this you do with an humble dependence upon divine grace for assistance & the merits of our glorious Redeemer for acceptance." The exclusion here implied of divine grace as the ground of our hope of acceptance I consider as unauthorized by God's word, which teaches that the grace of God bringeth salvation, and that by grace we are saved. And I no where find the merits of Christ set forth as the proximate cause of the Christian's salvation.

NOTE. — This is all the record of communicants admitted during Dr. Lothrop's ministry that appears in the books in our hands. Many more are known to have been admitted, not a few of whom are still living. We know (see page 92) that Dr. Lothrop kept many records in his diaries, and it is quite certain that these contained lists of communicants; but these diaries have disappeared. There may also have been another book of Church Records, deposited with the Parish Records, and therefore destroyed with them in the great Boston fire of 1872. No other book containing his Records has thus far come to light. — [EDS.]

The publication of the 24th Report of the Record Commissioners of Boston, containing the births from 1700 to 1800, has enabled us to fill up some of the gaps in this record. Where we have found the actual record corresponding with that here, the name has been put in Roman characters in brackets. Where we have found the parents' names only in connection with other records, so that our identification is conjectural, we have put the name supplied in *italics*. — Eds.

NOTE. — We have found with these Records several sheets in Dr. Lothrop's handwriting, from which it would seem that he had begun to supplement them, perhaps from his diaries, which have now disappeared, in which, as stated on page 123, we know he was in the habit of keeping many records. This strengthens our opinion, also there expressed, that a book may have been destroyed in the Boston fire of 1872, and leads us to think he was thus endeavoring to replace it. As these sheets contain many facts likely to be of value to genealogical inquirers, and not easily accessible otherwise, we have thought it best, in spite of their incompleteness, to print them, so far as they go, as part of the Record. — [EDS.]

ADDENDA.

THE New England Historical Genealogical Register for April, 1901, which was published after all this book had been electrotyped, and just as it was about to be printed, contained some "Notes from the Rev. Samuel Cooper's interleaved Almanacs of 1764 and 1769," which enable us to supply the records of baptisms for 1764 which are set down on page 182 as lost, and to add a number to those of 1769; as well as the record of marriages for 1764, which on page 252 is also reported lost, and to add several which took place in the latter part of the year to those of 1769. From the same notes we have obtained a list of communicants for the same years, as well as of those propounded for baptism, or for the baptismal covenant, or for communion, and a few deaths which occurred in 1764.

APPENDIX.

WHEN these pages were revised after they had been cast and in preparation for printing, it occurred to the Editors that it might be possible through a comparison of pages, with the aid of the Index, to fill a number of blanks in the names of parents who had presented children for baptism.

The following conjectural emendations are made as a result, and reference is given to the pages on which are found the entries which cause them to seem probably correct.
